Perseverance, that is a very long word that we don't like to think about. Yet, with out it, we will not see the fruition of some of the promises of God that we are standing for. I want to be blessed in my walk with the Lord, and in James we are told to count them blessed who endure. James 5:11, "Indeed we count them blessed who endure. You have heard of the perseverance of Job and seen the end intended by the Lord-that the Lord is very compassionate and merciful." I certainly pray that none of us will go through all that Job did! But for each situation that we do go through, we can rest assured that the Lord is right there with us producing the intended outcome, for our good and His glory! In the last book of Job we read, "Now the Lord blessed the latter days of Job more than his beginning..." But Job did his part in the middle of that scenario, he didn't waiver off of the

knowledge of the character of God, he wasn't swayed from his confession of the goodness of God, even when he was surrounded with negative friends. Then Job had to pray for those friends. Job stayed active as he was enduring, he did not mope around in a pity party, though he certainly could have. So here is where I would like to bring in the scripture I shared on the inside of this Victory Report. Psalms 9:17, "And let the beauty of the Lord our God be upon us, and establish the work of our hands for us; Yes, establish the work of our hands." Establish the work of our hand! When we find ourselves in a season of waiting, persevering, and enduring, stay busy in the things of the Lord. Remember His character and that He has a good expected end which he intends for us to enjoy. We will be counted blessed if we do.

Psalms 9:17

"And let the beauty of the Lord our God be upon us, and establish the work of our hands for us; Yes, establish the work of our hands."

## A Look Back

The big event at the beginning of September was our giant parking lot sale. It was a great success and we got our building cleaned up too. Our annual fall, football, chips and salsa day, is always a lot of fun. This year was no exception! I really enjoyed the variety of salsas everyone brought. We had mango salsa, ghost pepper salsa, mild salsas, cheese queso, pico de gallo, and many more to try. The best part though, is the fellowship around the tables!

We rounded out the month of September with an amazing and anointed Ladies Advance! Cathy Bartel, from OK, came and ministered to our ladies on the subject of forgiveness. Wow! What a chain-breaking time we had! Our ladies know how to put on a great pot-luck lunch, so we had plenty of delicious food on Saturday. After lunch, the ladies made some fun crafts; thank you to Melissa Burgess, Cheryl Walker, and Marquie Vallejos!

## A Look Ahead

October is always a busy month and this year looks like it will follow suit. Billy Miller will be here on Sunday, October 13th. He will minister at the 10:30 AM service and then be back at 7:00 PM for a Holy Ghost Service. Billy flows in prophetic gifts and the gift of a psalmist. Great power and healings are always present, as the Lord confirms the Word with signs following.

Our big fall CAB event is at the end of October, with the Harvest Carnival! This year's theme is, "God made you special." There will be carnival type games, with two different age areas. A photo booth, face painting, and inflatables will add to the fun. Of course there will be a time of ministry with skits and the Gospel message presented in a kid friendly atmosphere. You might even be able to find a little food and a treat of two. Please invite your friends and family.
