**Welcome John George!**

**Matthew 4:23-24 (NASB)**  
<sup>23</sup> Jesus was going throughout all Galilee, teaching in their synagogues and proclaiming the gospel of the kingdom, and healing every kind of disease and every kind of sickness among the people.  
<sup>24</sup> The news about Him spread throughout all Syria; and they brought to Him all who were ill, those suffering with various diseases and pains, demoniacs, epileptics, paralytics; and He healed them.

**Welcome Guests!**  
 Thank you for visiting us today! We hope you help yourself to a refreshment in the Hospitality Area before or after the service.

## An Outpouring of Healing

*Matthew 4:23-24 (NASB)*

<sup>23</sup> *Jesus was going throughout all Galilee, teaching in their synagogues and proclaiming the gospel of the kingdom, and healing every kind of disease and every kind of sickness among the people.* <sup>24</sup> *The news about Him spread throughout all Syria; and they brought to Him all who were ill, those suffering with various diseases and pains, demoniacs, epileptics, paralytics; and He healed them.*

Years ago in Akron, Colorado a young doctor came to town who was one of the few doctors Akron-ites had ever seen who had a healing gift. As his acumen in making an accurate diagnosis resulting in restoration to good health became known, his patients began to spread the word all across Northeastern Colorado. By the time he moved on from Akron, people were coming from surrounding states.

Lester Sumrall, a major leader of the Body of Christ in the 20th century made this statement; "You can lead people to salvation and they will say "thanks" occasionally. But if God heals someone through you, they will give you all their money and send Christmas Cards every year thanking you for restoring their health". God told him to never demand payment for healing the sick!

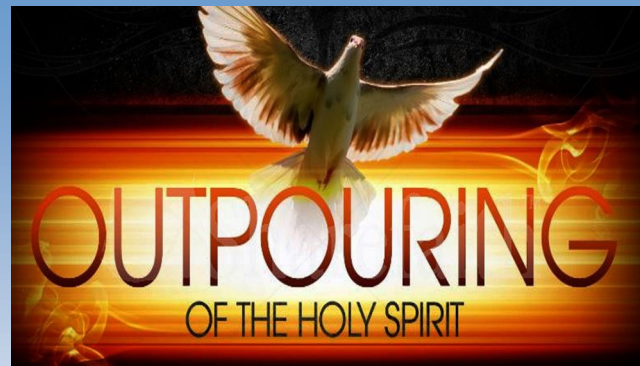

We are going to see a very significant outpouring of the healing hand of God before Jesus returns. Kenneth Hagin saw in a vision the components of the Last Day's outpouring. Every move of God from the day of Pentecost to the 21st Century will be functioning for what the Bible calls the "latter rain".

Dutch Sheets believes God will bring in the greatest harvest of lost souls the world has ever seen. In the next ten years he expects will we see as many people saved as have been saved since the New Birth of Grace through faith was introduced to mankind!

He also expects the greatest manifestations of healing, signs and wonders the earth has ever seen will be taking place regularly.

More importantly, he believes the Body of Christ is going to come into a much higher level of maturity. As we do, the world will get a clearer picture of who Jesus really is. And when that happens, humanity will have such a hungering and thirsting for God that nothing else will matter!

Many of us have experienced those kinds of days in the past. We know what it's like to run to church as fast as you can so you can get a good seat! We've been in those meetings that started at 7:00 and ended after midnight. No one wanted to leave because we were seeing Jesus more clearly than ever before. Those days are coming soon only this time they will be on Steroids! Let's all begin to believe and expect Greeley that will be one of the launching pads for it all!
