In The Beginning

John 1:1-5 (ESV)
¹ In the beginning was the Word, and the Word was with God, and the Word was God.
² He was in the beginning with God.
³ All things were made through him, and without him was not any thing made that was made.
⁴ In him was life, and the life was the light of men.

Welcome Guests!
 Thank you for visiting us today! We hope you help yourself to a refreshment in the Hospitality Area before or after the service.

In the Beginning

The Bible begins with this sentence.

In the beginning God created the Heavens and the Earth.

Obviously, this pertains to the saga of the Heavens and the Earth, including the stories of every single member of the Human Race. God has assigned one of His angels to every human being. Their job is to guard us, record our words and deeds in either the Book of Life or the Book of Works, and probably be a witness at our Judgment.

Speaking of judgment, the Bible clearly communicates the reality of living on this planet. Every person will be judged by the Lord Jesus Himself. He is the perfect Judge because He knows what was the thought and intent of each heart.

There are two Judgements that will take place. The first will happen on Resurrection Day when the Lord will rapture all the Believers throughout the all history and take them to their new mansions in Heaven. We will be judged at the Judgment Seat of Christ where all of our bad works and words will be burned and our good works will be rewarded.

The second judgment is many millenniums later at the Great White Throne. All those who lived on Earth but rejected the appeals of the Savior will be judged from the Book of Deeds. What an amazing time it will be to watch the judgement of God in it's perfection!

Now, let's consider another kind of Beginning. Jesus told Nicodemus that he must be "born again" before he (or anyone else) could see the Kingdom of God. Billy Graham resurrected that concept and God honored it in America and internationally to save millions of souls!

Kenneth Hagin also included the new birth in the vast majority of his sermons. He had such a powerful experience at his new birth everybody needed to hear it and so do you! Here goes!

He had an incurable blood disease and a deformed heart at birth. Doctors told him nobody with those two issues had lived past 16 years. When he reached his 16th birthday he became totally bedfast and had paralysis entering his limbs. Then one morning, he felt his feet and legs turn cold when suddenly he left his body, floated out of the house and began descending into darkness. The lower he went, the hotter and darker it got. Finally he could see flames on the walls of a place where a large gate began to open and a creature of some sort grabbed his arm and began dragging him to the gate. He knew if he went through the gate he would never get out!

Suddenly a loud, thundering voice spoke a few syllables in a language Kenneth didn't know. The creature immediately let go of his arm and he began to go back up into his bed. This same thing happened twice more. On the third trip back up through the darkness, he called on the name of the Lord and asked God to forgive him for all of his sins. When he floated back into his bed, he told his Grandma he was going to live and not die for a long time. A few months later he was supernaturally healed and preached for the next 69 years. That was truly a New Birth!
