# Your Vote Matters

Deuteronomy 30:19  
 "I call heaven and earth to witness this day against you that I have set before you life and death, the blessing and the curse; therefore choose life, that you and your descendants may live."

**Welcome Guests!**  
 Thank you for visiting us today! We hope you help yourself to a refreshment in the Hospitality Area before or after the service.

## Your Vote Matters

**First things first; are you registered to vote? Deadline for online voter registration is October 26th. Deadline for in-person voter registration, is election day, November the 3rd until 7:00 PM.**

**With the election just around the corner it is imperative to be informed and then VOTE! I would say, do not necessarily vote for the person or candidate you like or dislike, however, it is very important to vote for the PLATFORM each candidate represents!**

**Here is a comparison guide to help you out.**

Key Issue	Republican	Democratic
<b><u>Sanctity of Human Life</u></b>	Proud to be the party that protects human life and strongly opposes infanticide. The inalienable right to life for the unborn is a fundamental right which cannot be infringed.	Supports the right to abort. Calls for government funded abortion on demand through all nine months of pregnancy. They oppose and will fight to overturn laws that create barriers to reproductive health and rights.
<b><u>Support for Israel</u></b>	“Unequivocal Support” Considered only country in the M.E. sharing essential US values of freedom of religion and speech. Committed to Israel’s security; will ensure they have a strong military edge over their adversaries.	Believes a strong Israel is vital to U.S. interests. Will always support Israel’s right to self-defense, and will ensure it has a strong military edge in region.
<b><u>Marriage</u></b>	Foremost is the American family. The foundation of society is the family– the union of one man and one woman, according to the Bible.	Same-sex “marriage” is accepted and embraced. LGBT rights will be defended and championed.
<b><u>Religious Liberties</u></b>	Full religious freedom at all times everywhere. Values the rights of America’s religious leaders to preach, and Americans to speak freely, according to their faith. Full repeal of the Johnson Amendment	Rejects “broad religious exemptions for “business, medical providers, social service agencies, and other.” “We will fight to enact the “Equality Act” - a bill that would remove religious liberty protections and even force churches to violate the tenets of their faith.
<b><u>What kind of judges do they want to appoint?</u></b>	They will appoint judges who are pro-life and those who will up-hold the U.S. constitution as written by our founding fathers.	Will appoint U.S. Supreme Court justices and federal judges who... will respect and enforce foundational precedents, including Roe v. Wade.
