Believe The Love

1 John 4:16

“And we have known and believed the love that God has for us, God is love, and he who abides in love abides in God, and God in him.”

Saint Valentine

Today is Valentine's Day, and we usually think of hearts, flowers, chocolate, and our special someone. This year, let's take a look at the amazing man this holiday is named after.

Saint Valentine is the patron saint of love. Believers say God worked through his life to perform miracles and teach people how to recognize and experience true love.

This famous saint, was an Italian doctor who later became a priest. He lived in Italy during the third century AD and served as a priest in Rome.

Valentine became famous for marrying couples who were in love but couldn't get legally married in Rome during the reign of Emperor Claudius II, who outlawed weddings. Claudius wanted to recruit lots of men to be soldiers in his army and thought that marriage would be an obstacle to getting new soldiers and it would distract them from their work.

When Claudius discovered that Valentine was performing weddings, he sent Valentine to jail. Valentine used his time in jail to continue to reach out to people with the love that he said Jesus Christ gave him for others. Valentine befriended his jailer, Asterius, who became so impressed with Valentine's wisdom that he asked Valentine to help his daughter, Julia, with her lessons. Julia was blind and needed someone to read material for her to learn it. Valentine became friends with Julia through his work with her when she came to visit him in jail.

Claudius also came to like Valentine. He offered to pardon Valentine and set him free if Valentine would renounce his Christian faith and agree to worship the Roman gods. Not only did Valentine refuse to leave his faith, he also encouraged Claudius to place his trust in Christ. Valentine's faithful choices cost him his life. Claudius was so enraged at Valentine's response that he sentenced Valentine to die.

Before he was killed, Valentine wrote a last note to encourage Julia to stay close to Jesus and to thank her for being his friend. He signed the note: "From your Valentine." That note inspired people to begin writing their own loving messages to people on February 14th, which is the day on which Valentine was martyred.

Valentine was beaten, stoned and beheaded on February 14, 270. People who remembered his loving service to many young couples began celebrating his life, and he came to be regarded as a saint through whom God had worked to help people in miraculous ways. In 496, Pope Gelasius designated February 14th as Valentine's official feast day.

The most famous miracles attributed to Saint Valentine involved the farewell note that he sent to Julia. Believers say that God miraculously cured Julia of her blindness so that she could personally read Valentine's note, rather than just have someone else read it to her. Love never fails.
