Go into All the World

Mark 16: 15
 "And He said to them, "Go into all the world and preach the gospel to every creature."

Welcome Guests!

Thank you for visiting us today! We hope you help yourself to a refreshment in the Hospitality Area before or after the service.

Go into all the World

I'm really going to date myself here. When I was much younger, if I wanted to call internationally or overseas, I had to use a rotary type telephone and it would cost \$3.00 per minute! I would have to know the time differences between the USA and the country I wanted to call. Then I'd have to get up at 2:00 AM to speak to the person I wanted to visit with during their daylight hours. My husband, who was then my fiancé, was in the Navy half way around the world. I stacked up some pretty large phone bills for those calls. Now, praise God, we have many ways to reach the world via technology and they can respond at anytime that is convenient for them.

I would say we are all familiar with Facebook. The church has their own Facebook page and we were so thankful to be able to Livestream our services on Facebook when Co-vid hit. With our increased audience, we have decided to add some fun articles to our page.

Here is the schedule of these articles: Missionary Monday, we will highlight one of our missionaries and include any prayer requests they may have. Testimony Tuesday, we will share victorious testimonies from our church body. If you have a testimony that you would like to share, you may E-mail it to me at, admin@vcfofgreeley.org or you may speak with Pastor Elizabeth and she will record a video testimony after church on a Sunday. Word Wednesday, exactly that, we will share a verse or mini teaching from the Word. Therapy Thursday, will be for healing scriptures. The Greek word for healing is *Therapeuo*, which includes to heal, cure, restore to health, and is where we get our English word *therapy*! On Fridays we will share fun facts. (Did you get all of those alliterations?)

Here is the part where YOU are so important. As you visit our Facebook page and read the articles or watch a video, we need YOU to like, comment and share the items that you saw while you are on our page!! As we share God's Word, we are investing in the lives of others around the world. Who knows, that may be the Word that will change their lives forever!

I am so thankful to be living in such a time as this, that we can use technology for the Kingdom of God and His Glory!

Add this to your phone or tablet if you haven't found our page before.
