Good morning and Greetings in Jesus, beloved Saints from VCF!!

Today our beloved Pastor Brian would be 68 in earth years, so we say Happy Heavenly Birthday!! But, more importantly, his born again Birthday will reach 40 years this September, and that is when my sweet Brian really started to live!! The best part is that he, like all of us that have been born again, will live FOREVER and nothing can steal away the Eternal Life that Jesus purchased for each one of us!! Can I hear a Hallelujah?!!

Today I want to honor my beloved husband and your faithful "moved to heaven" pastor.

First, this truth from Romans 11:29. "For the gifts and calling of God are irrevocable."

The CEV says "God does not take back the gifts HE has given or disown the people HE has chosen." In this context, the apostle Paul is talking about Israel being God's beloved. The good news is we also are His beloved because we have been "grafted in" and forgiven by the blood of Jesus. Therefore, even in Heaven we will use the gifts that our Lord Jesus placed inside of us in our mother's womb. I said all of that to say that I truly believe Pastor Brian is still preaching and leading worship to the Lord God Almighty in Heaven!! Heaven will be more glorious than you can even imagine!! Glory to God!!

All of you that knew Brian, or have heard from his family, know that he was an incredible, patient, faithful husband and a loving, joyful, fun father and Papa!!! My family and I are forever grateful for the influence he had in our family, our home and our hearts!! Brian would be the first one to admit that anything he

did that was good was all because of the grace of God, the Word of God and the new birth that Jesus purchased for him. I totally agree with PB and praise God for all Jesus did in and through Brian. Jesus receives all the glory!! Here is my encouragement to YOU:

"Godliness actually is a means of great gain when accompanied by contentment." (1 Timothy 6:6)

When we are born again and become a new creature in Christ, God does something on the inside of us that only He can do. He exchanges our sin for His Righteousness!! (2 Corinthians 5:17, 21) Then the Lord tells US TO RENEW OUR MINDS and to not be like the rest of the world, but to be imitators of God, as beloved children." (Romans 12:2 and Ephesians 5:1)

Pastor Brian's life was a testimony of how the Word of God does change a man's life. I am sure you have heard me say before that since the day Pastor Brian was born again on 9/30/1980, he read the Word of God every single night before he went to bed. He had a very sharp mind and it was very rare that someone could ask him where a certain scripture was that he did not immediately tell you the reference. He did not read the Word as a type of works but out of love for his Savior and love that he had for God's Word. He was not only a hearer but a DOER of the Word of God, and in doing so, he left foot prints in the sand for us to follow so that we may know yes, **"Godliness is of Great Gain"!!!** Living by faith and allowing God's Word first place in your life, will produce eternal reward and godliness in this life that will far exceed anything the world can offer. Hallelujah!!

Walking in Love:

"Most important of all, continue to show deep love for each other, for love covers a multitude of sins."
I Peter 4:8 (NLT)

Thank you, Pastor Brian, for living out the Word of God. You are missed!!

A Look Back

Wow! What a roller coaster of events and planning we have had these past three months! When we were put to the test, we rose to the challenge and showed the world we are more than conquerors! You, VCF Family, are amazing! We have had great attendance in the parking lot and live stream viewing both.

This corona virus may have caught us off guard, but let me tell you, it did not take our Father God by surprise! The air waves have been taken back for the kingdom! Churches all around the country have proclaimed the Gospel via on-line events through Facebook, Zoom meetings, YouTube, and Instagram. God opened the door for VCF to purchase a FM transmitter which allowed the congregation in their cars, in our parking lot, to hear the service on the radio! We were also able to purchase a camera needed for future Live Stream services. We were born for such a time as this. The CHURCH will be able to quickly and effectively reach the masses in the Great Harvest Field.

A Look Ahead

From the extreme heat we have been experiencing this week, we can tell summer is upon us. Summer is usually a busy time for family activities and vacations. Though we do not know exactly what that will look like this year, we as a staff have decided not to start back our regular Wednesday night schedule until August. We do have some very exciting plans that we are working out for the fall.

Having stated that, we are planning an all church picnic for Wednesday, July 1st, in our back grass area! Be watching for all the details in the near future. A little further into summer, on August 2nd, Pastor Elizabeth will be in town! She will preach at the Sunday morning service, she always has an amazing message to share. This will be a great time to visit with this special woman of God!

This is a time to keep your eyes on the Lord! He has miracles, signs, and wonders to release into the world. Exciting time are ahead!
