**Title: Thrive in 2021  
 Prayer**

People say, "God is in control." This is true to a point; however, do you think if God was really in control that He would allow children to be trafficked or earthquakes to destroy peoples lives or any of the other evils in this world? The entire universe runs because of God's control. But from the beginning, God has delegated control of the earth to man. Today, if you want to put blame on the evils of this world, the blame should go to the church. Not because the church is doing the evil but because the church is allowing the evil to run rampant.

God has given complete control of the temporal realm to man. This is interesting, however, because man doesn't have the power to control this realm. He expects us to control things using His power. This we accomplish through prayer. It is important that the church understand that God can't control things in this realm unless His church brings it to bear through prayer. This is how He

set things up.  
 He has delegated His authority to His church. We are His ambassadors. Jesus used the Greek word 'ekklesia' to describe His church. Ekklesia means a ruling group. We rule by prayer and by making decrees through faith.  
 Much of the church has never learned that we have this responsibility. As a result, out of ignorance, apathy, and fear we have allowed the world to run amok.

This is why it is so important that we all work to develop our prayer life. Success in 2021 will depend on our prayer relationship with God. Let's thrive this year. Expect it to be an exciting year.

*Happy New Year  
 2021*

Revelation 21:5 (TPT)

“And God-Enthroned spoke to me and said, “Consider this! I am making everything to be new and fresh. Write down at once all that I have told you, because each word is trustworthy and dependable.””

## A Look Back

(Tammy Uber)

Here in the last week of December, we could look back on the entire year, or just this past month. I prefer the past month.

Early in the month, the Staff and Board members all got together for dinner. I can honestly say we have the best staff here at VCF, and we have a lot of fun when we actually get a few minutes to all be together!

On December 13th, a group of us went out to Lincoln Park and the downtown area of Greely to distribute packs of essential items to the homeless. We all came back with our hearts full as we were used by God to minister in a mighty way. We had 8 children with us, and I am going to do some “grandma” bragging on all 8 of them. Each of the kids were very well behaved and bravely handed out items and hugs to the homeless we met on the streets. They exemplified Jesus!

Our Family Christmas service was a great success! The Children’s Church kiddos sang a beautiful song. It is always a joy to see them in nativity costumes. The balcony was packed with various different items that we gave out. We had a beautiful Candle Light service on Christmas Eve, eve!

## A Look Ahead

I can honestly say I am looking forward to the year ahead. God is on the move! Can you feel it in your spirit?

Our Heavenly Father has only good things for our nation, our state, our church, and each of our individual lives.

I believe a great revival is bursting at the seams. It will be filled with miracles, signs and wonders!! We were born for such a time as this!

Keep pressing in! Keep your expectation up! At the end of this year we will say, “Look what the Lord has done”!!
