Victory Christian Fellowship is a Rhema Church, as Pastor Brian and Joslyn both attended Rhema Bible Training College. More than 45 years after RBTC was founded, the college remains steadfast in carrying out God's purpose of empowering Christians to take the Gospel to the ends of the earth. Since 1974, they have trained over 93,000 for the harvest. The sun never sets on Rhema graduates ministering around the world, either in the pulpit, on the mission field, or as active believers supporting God's work in local churches. Their alumni have gone forth and together they have established 285 Campuses with 18,000 students in 54 nations. Our guest minister, John Grunewald has personally been involved in starting 14 campuses, and planting many Word of Faith churches. These have been in Europe, Africa, and the Middle East.

John Grunewald and his wife Michelle, have stated, "We have been fortunate enough to have been involved or led several church plants. It is exciting to be a part of the process and plan of a new church. When God plants a church it is like Him saying, "I want to do business from this

place". Around the world, graduates are pastoring over 3000 churches. We want to see this number grow."

I could be a little intimidated when I think of the vast accomplishments that the Grunewalds have made, compared to that which I have accomplished in the same time frame.

Here is the important thing that each of us must remember: God has a specific plan for each of us, and that plan is for good. We have all been commissioned to go into all the world and preach the Gospel.

Acts 1:8, "But you shall receive power when the Holy Spirit has come upon you; and you shall be witnesses to Me in Jerusalem, and in all Judea and Samaria, and to the ends of the earth."

This could equate for us, Greeley, Colorado, and the United States.

Your corner of the world, your neighborhood, your sphere of influence is uniquely and exactly where God has you planted to minister. As we each do our part, we will see the billion soul harvest that we are believing for!! If we can't travel to the far away lands physically, we most certainly accomplish vast results through prayer!

Mark 16:15

A Look Back

September was a busy month and has set the pace for the fall season. We began with a baby dedication for Becca and Justin Anderson's baby girls. What a joy and a blessing it was to see all of the family members praying for those precious girls!!

September is a month full of Jewish Holidays. Rosh Hashanah, Yom Kippur, and the Feast of Tabernacles were all celebrated here at VCF! Marty Gale from the Celebration Congregation was here twice. He taught on Yom Kippur and the Day of Atonement. Their congregation taught us some dances and demonstrated them so beautifully! We joined in with them, though some of us may have had two left feet. What a joy it is to be with other believers from different cultures.

A highlight for me in September, was our ministry fair! After church on September 12th, we served a pizza lunch and then members were able to visit the booths from our most needful ministries. Several of you signed up to help in these areas. We are so thankful for the ministry of helps and we truly could not do all that we do here at VCF without YOU!

A Look Ahead

To say I'm looking forward to our annual Harvest Carnival would be putting it mildly! This is one of my favorite events that we do here at VCF!! We have chosen to do this outreach in Trunk or Treat format, as we did last year.

We have 12 booths planned that will be staged out of the trunks of VCF members' cars. Visitors still get all of the fun and we get minimal clean-up! We will be serving chili over a bowl of Fritos for lunch. YUM.

However, with all this fun planned, the greatest part of an outreach is sharing the Good News about Jesus! Pastor Joslyn will be teaching on how to share the salvation message, and/or your testimony to others. At the Harvest Carnival you will have a lot of opportunities to put this new skill in to action.

Pastor Chris and Elizabeth in youth, Pastor Melissa in Children's Church, and Tammy in Pre-School all have special events planned for the children on October 31st. More details will be forth coming on these activities.

Enjoy the beautiful fall colors and the cool temperatures during this season.
